MEMORANDUM FOR: (S) Director, National Reconnaissance Office

ATTENTION:

[REDACTED] NRO Comptroller

STAT

1. Pursuant to our conversation, it is requested that a copy of the (S) NRO budget be forwarded to Mr. McCone. I understand the "black book" of previous years has not been prepared and therefore your submittal will take the form of sheets similar to those provided to Mr. McCone for the FY 65 (S) NRO budget.

2. I have also advised Colonel Ledford of your intention to forward FY 66 budgetary data on programs of interest to him and including other (S) NRO program elements where Agency contracting arrangements will be employed.
